

# Community Free Clinic's

## *2018 Festival of Tables Sponsorship*

### **THE ORGANIZATION**

The Community Free Clinic is our community's response to the unmet healthcare needs in Cabarrus County. Founded in February of 1994 by physicians David Lockhart and George Liles, the Community Free Clinic keeps people healthy by providing needed healthcare, prescribed medications and a medical home to low-income, uninsured residents at no charge. The Clinic's collaborative partners include volunteer doctors, nurses, pharmacists, dentists, social workers, lab technicians, the United Way of Central Carolinas, Cabarrus Health Alliance, Community Care Plan of Southern Piedmont, Cabarrus Rowan Community Health Centers, NC MedAssist, and Atrium Health, CHS NorthEast.

The Community Free Clinic offers three programs: the Medical Clinic Program, the Cabarrus HealthNet Pharmacy Program, and Cabarrus HealthNet Patient Enrollment and Care Coordination Program. In 2017, the Clinic served 1098 patients and provided 6,531 clinic visits. 209 volunteers logged 6,124 volunteer services hours. 25,866 prescriptions were filled at a value of \$5,230,248.

### **THE EVENT**

This year's Festival is scheduled on Friday, October 5<sup>th</sup> 2018, First Assembly Village Suite 8. Last year's event was our largest ever and as we continue to grow we will return The Village's largest suite, #8 (left side of Big Lots). Our annual *Festival of Tables* is one of two annual community fundraising events. These two events contribute 10% of our annual operating budget.

Established in 2002, this event quickly became a favorite for Cabarrus County area residents. Table hostesses select a table theme, decorate a table, invite 7 guests and donate their table decor to a silent auction. In addition, sixty-plus area businesses and individuals donate themed baskets that are silent auctioned as well. In 2017, the average basket raised \$89 and each table raised an average of \$197 for the Clinic. Individual guest ticket sales totaled over \$6,000.
